The Phoenix has risen... With four models currently

in the lineup and continuing to grow, Phoenix Boats has taken a lead in growth and innovation that the bass boat market has not seen before. This past year, Phoenix has brought excitement and new features, like the **patent-pending removable passenger console** (available in all models) you must see. With a well known and experienced management team as the foundation, there are no limits for this group who you already know and trust – Gary Clouse, Hank Baker, Greg Strahm and Teresa Johnson. For a video of the console and much more go to [www.phoenixbassboats.com](http://www.phoenixbassboats.com).

Greg Hackney, 3 Time Elite Series Champion and  
9 Time Bassmaster Classic Qualifier

"As an Elite Series Angler, the move to the Phoenix Team was  
easy for me after seeing what they are all about."
